Thermal Transfer Printers

TT310 Compact Desktop Printers

HellermannTyton's TT310 Series thermal transfer printers deliver high speed and precision not found in many other small desktop printers. Designed for low- to medium-volume printing of thermal transfer labels and ShrinkTrak. 128mb flash / 128mb SDRAM. Generous 984' ribbon on 1" core.

Features and Benefits

- 300 dpi thermal transfer printhead for crisp text and graphics.
- Print speed up to 4" per second keeps operations moving swiftly.
- Integrated cutter (TT310SMC only) provides automated cutting of print material, saving time.
- LCD panel with 8 large icons streamlines common tasks.
- Simple setup and loading without adjustments, making it easy for just about anyone to use.
- Quick calibration for less label waste.
- Lightweight, with small footprint to fit in cramped workspaces.
- Label holder included with purchase.
- Optional WiFi adaptor for wireless printing.
