

HONEYWELL Pushbutton and Manual Switches **Honeywell**

 This product is RoHS compliant.

Sensing and Control

MICRO SWITCH™ PUSHBUTTON AND MANUAL SWITCHES

Excelling in applications ranging from light industrial to aerospace, these switches are compact, durable, and offer up to four poles - with momentary and alt-action, and with a choice of different colors, shapes and termination options. FAA and PMA approved listings are also offered, as well as listings with military specifications.

Features:

- Lamp circuit independent of switch circuit
- Mounting: snap-in
- Pushbuttons are sold separately

For quantities of 100 and up, call for quote.

Honeywell Pushbutton Switches
