

## Specification Sheet

Part Number: 556-00465

Premium-quality TT4030 printer is designed for medium- and heavy-duty industrial applications.

Print accuracy, consistency, speed, and power are best in class.

300 dpi print head fulfills all standard requirements for printing bar codes, warning signs, logos, and written information.

Easily prints high-definition graphics such as 2D barcodes, standard bar codes, numbers, and text on adhesive labels, thermo plastics such as heat shrink and Tiptags.

Print speeds up to 300 mm per second are possible dependent on the material you wish to print.

Standard adjustments are carried out with the on-board tool and this ensures operator down time is kept to a minimum.

The exceptionally durable print head is of the highest quality and as such has a warranty of 24 months or 50 km (whichever comes first) in thermal transfer mode.

Optional premium quality accessories are designed to work seamlessly with the printer and will suit the most demanding needs.

Margin Stop Caddy for Thermal Transfer Printer, Gray, 1/ea

Article Number

556-00465

Type

TT 4030 Margin Stop Caddy
