

Specification Sheet

Part Number: 596-00377

Pre-Printed Signal Word labels come with the header pre-printed in colors so that only one color of ribbon is needed to complete the message panel.

Labels are pre-made to the most recent ANSI standards so that code compliance is assured.

Pre-Printed Signal Panel labels can be printed using standard thermal transfer printers to reduce labor, eliminate minimum orders and allow the user to create labels on demand when needed.

Pre-Printed Header Label, DANGER, 2.75" x 5.50", PET, Red, 250/roll

|                     |                                                                                                                                                                                                                                                                                                                  |
