

TECHNICAL DATA SHEET

Part No. TAG50L-105
Article No. 594-50105
Type TAG50L

HellermannTyton's self-laminating labels are used for marking wires and cable. The clear tail overlaps and protects the printed information from abrasion, chemicals and solvents and resists UV exposure. When printed using a laser printer, clear marking and high high-contrast imaging against the wire make this the perfect choice for durable identification.
