

# TECHNICAL DATA SHEET

**Part No.** TAG22T3-100B  
**Article No.** 596-00007  
**Type** TAG22T3

HellermannTyton thermal transfer self-laminating labels are a conformable vinyl film with a white printable surface followed by a clear tail that laminates the printed text when applied to a wire or cable. The labels are UL recognized for indoor and outdoor use with an aggressive acrylic adhesive that allows the label to bond to large and small diameter wires.
