

TECHNICAL DATA SHEET

Part No. 596-03946
Article No. 596-03946
Type AC-INVERTER-KIT

The HellermannTyton AC Micro-Inverter Solar Label Kit contains an assortment of the labels required for Enphase and similar applications, and are code compliant with the label design requirements of NEC 2020/2023. All labels are made from UV stable vinyl and dye-based inks, protected by a weather-resistant laminate, with a permanent adhesive for lasting performance. Get the free TagPrint® Xpress Solar app by scanning the barcode on the outside of each kit, then use it to guide your label placement. The kit contains four pages of labels, making it easier to find specific markers. This label kit is a convenient, low-cost solution to help ensure your solar installation passes inspection.

Description	AC Micro-Inverter Solar Label Kit, Red/Orange, 36 Per Kit, 1/Pkg
Pkg. Qty.	1

HF ✓ RoHS ✓

Material	Type 416/281, UV stabilized, flexible white vinyl with clear polyester laminate (416/281)
