

# TECHNICAL DATA SHEET

**Part No.** 596-12202  
**Article No.** 596-12202  
**Type** TAG51T3ES

HellermannTyton TabTag thermal transfer self-laminating labels are a conformable vinyl film with a white printable surface followed by a clear tail that laminates the printed text when applied to a wire or cable. Handling the label by the tab helps keep fingers off the clear overlay, ensuring years of performance. The labels are UL recognized for indoor use with an aggressive acrylic adhesive that enables the label to bond to large and small diameter wires.

<b>Height (imperial)</b>	0.37 "
<b>Height (metric)</b>	9.39 mm
<b>Height 2 (imperial)</b>	0.82 "
<b>Height 2 (metric)</b>	17.0 mm
