## Specification

|                         |                         |
|-------------------------|-------------------------|
| Product                 | Mini-Fakra 4-in-1 Cable |
| Operating Temperature   | -40°C~85°C              |
| Mechanical Dimension    | 500mm                   |
| Communication Interface | GMSL2                   |

# Applications

- ADAS imaging
- BEV detection
- Robotics

## Part List

|                                               |    |
|-----------------------------------------------|----|
| Mini-Fakra 4-in-1 Cable 0.5m Female-to-Female | x1 |
|-----------------------------------------------|----|

## Compliance & Logistics
