## Panel Extension Kit for RapidPod Aisle Containment System - 42"H x 12"W

MODEL NUMBER: **RAPOD4212PAN**

Durable aluminum panel adds length to your modular RapidPod Aisle Containment System for a customized fit.

### Features

#### Modular Customization of Your RapidPod Aisle Containment System

This assembly panel extension kit adds length to your RapidPod® Aisle Containment System to ensure a perfectly customized fit. Built with robust aluminum extrusions and five secure attachment points, the panel and included hardware allow fast configuration and adjustment directly in the field. Transparent and semi-transparent panel options offer clear visibility, while the customizable design accommodates a wide range of gap sizes and irregular layouts. Fully compatible with both hot- and cold-aisle containment strategies, this panel extension kit ensures durability and stability in demanding environments.

### Highlights

- Built with durable aluminum extrusions with 5 secure attachment points
- Modular assembly allows for quick configuration and adjustment
- Allows a customizable application to seal gaps and irregular layouts
- Available in transparent or semi-transparent polycarbonate for visibility
- Fully compatible with both hot-aisle and cold-aisle containment strategies

### Package Includes

- Assembly panel, 42 x 12 in.
- Formed panel joiner bracket, 42 in.
- (10) Screws, 5/16-18
