30W USB-C Wall & Travel Charger with Apple Watch Pad - MFi Certified, Compact 1-Port Design - White

MODEL NUMBER: U280MS-2N1-WH2

Travel charger with PD charging powers your smartphone, tablet or Apple Watch in a hotel or airport.

Features

Stay Powered Anywhere with USB-C and Apple Watch Charging Support

The U280MS-2N1-WH2 is the perfect all-in-one solution for keeping your essential devices powered at home, in the office, or on the go. Whether you're in a hotel, airport, coffee shop, or library, this travel-ready charger eliminates cable clutter with a direct plug-in design and folding prongs. Certified by Apple (MFi), this dual-purpose charger supports a wide range of mobile devices. The USB-C Power Delivery (PD) port delivers up to 30W, ideal for fast charging your iPhone, iPad, Android phone, tablet, or handheld gaming console (Device-specific charging cable sold separately). **Note:** This charger is designed for devices that require 30W or less. Charging laptops or high-power devices may result in reduced performance or overheating.

MagSafe-Compatible Charging for Apple Watch

The integrated MagSafe-compatible magnetic charging pad securely holds your Apple Watch in place while delivering up to 3W of wireless power. Built-in magnets align your watch perfectly every time, ensuring a stable and reliable charge—no slipping or disconnecting. **Built-In Safety and Travel-Ready Design**

Equipped with overcurrent, overload, overvoltage, and short circuit protection, this charger keeps your devices safe while powering up. Its compact size and foldable NEMA 1-15P plug make it easy to pack and perfect for travel.

Specifications

OVERVIEW	
UPC Code	037332288189
Charging Form Factor	Direct Plug-In
Product Type	USB Charger; Wall Charger; Wireless Charger
Device Compatibility	Amazon Kindle; Phone; Tablet; Video Game System; Watch
Technology	USB

Highlights

- Cord-free convenience—plugs directly into the wall for easy setup and a clutter-free charging space
- Fast USB-C charging delivers up to 30W with PD and PPS support for rapid charging of phones, tablets, and more
- Apple Watch Ready—built-in MagSafe-compatible pad charges your Apple Watch wirelessly at up to 3W
- Built-in safety features protect your devices with overcurrent, overload, overvoltage, and short circuit protection
- Travel-friendly design is compact and lightweight, with folding prongs for easy packing and portability

System Requirements

- Works with all MagSafe-compatible smartwatches, including Apple Watch
- USB-C port is intended for use with smartphones and tablets, including iPhones and iPads

Package Includes

- U280MS-2N1-WH2 30W USB Wall/Travel Charger
- Quick Start Guide
