Rail Mounting Hinged Security Door *RSDP Series*

If you are looking for a simple and economical solution to secure your cabinet space, consider the RSDP Series. Install in front of equipment sitting on a shelf to prevent tampering.

Features

- Constructed in 16-gauge steel.
- Installs directly to 19-inch rack-mounting rails.
- When the door is open, space between mounting rails is completely accessible
- The door is folded on three (3) sides
- Includes installed lock and two keys.
- Finished in textured RAL9005 black or RAL7035 light gray powder paint coat.
 - Complies with the Greenguard guidelines for indoor air quality.
- TAA-compliant for federal GSA schedule purchases within the USA.
- RoHS and REACH compliant.
- Manufactured in North America within an ISO 9001:2015 certified facility.

Please be advised that the RAL9005 Semi-Gloss Black will be phased out effective January 3, 2025. The replacement is the RAL9005 Matte Black with supporting parts available soon.

Accessories

- Hardware for Rack Mounting Solutions
