

# Long Reach Needle Nose and Bent Nose Pliers Set, 13-Inch, 2-Piece

The Klein Tools 13-Inch Long Reach Pliers and Bent Nose Pliers are designed to improve access into tight spots across a variety of applications. The 2:1 double rivet design allows the jaws to open twice as wide as the handles, ensuring the ability to grip on a workpiece without obstruction. This 2-Piece set includes both straight and bent jaw pliers, with Klein's unique angled knurls to provide an extra grip that limits slippage.

## Specifications

|                   |                      |                 |                                       |
