Wiremold
RC9 Furniture Feed Poke-Thru Drop-In Hub
Part No. FFD-P

Furniture Feed Style Poke-Thru Devices are an excellent solution for feeding power and communication services to modular furniture systems in an open space, above grade floor environment. Every Wiremold Poke-Thru Device comes with built-in TopGuard protection, an industry-leading design that meets and exceeds UL scrub water exclusion requirements for tile and carpet floors. TopGuard protection prevents water, dirt, or debris from entering the power and communication compartments through the service head or floor fittings. All Wiremold Furniture Feed Style PokeThru Devices can be installed on tile, carpet, or wood covered floors and are an excellent solution for both new or retrofit construction. Typical applications include commercial office buildings, financial institutions, and government facilities.

Features & Benefits

3/4'' trade size threaded drop-in hub. Used to make conduit connections to the service head.

Specifications

General Info

Product Family / Series / Group	FIT Series	Product Line	Wiremold
UPC Number	786564199403	Country Of Origin	United States
Product Type	Fitting	Construction	Unassembled
Number of Knockouts	1	Application Sector	Commercial, Education, Healthcare, Hospitality
Standard	cULus Listed, NEC	Warranty Type	1-Year from Installation or 2-Years from Day of Sale

Dimensions

Product Weight US	0.168 lb

Additional Information

RoHS Compliant	Yes
