### Identification

|                              |             |
|------------------------------|-------------|
| Category                     | Accessories |
| Type of accessory            | Cable gland |
| Description of the accessory | EMC version |

### Technical characteristics

|                                        |                  |
|----------------------------------------|------------------|
| Wrench size                            | 30               |
| Degree of protection acc. to IEC 60529 | IP68             |
| Size                                   | Pg 21            |
| Clamping range                         | 11.5 ... 15.5 mm |
| Shielding diameter                     | 9.5 ... 13.5 mm  |

### Material properties

|                                      |                                                                                     |
|--------------------------------------|-------------------------------------------------------------------------------------|
| Material (cable glands)              | Metal                                                                               |
| RoHS                                 | compliant with exemption                                                            |
| RoHS exemptions                      | 6(c): Copper alloy containing up to 4 % lead by weight                              |
| ELV status                           | compliant with exemption                                                            |
| China RoHS                           | 50                                                                                  |
| REACH Annex XVII substances          | Not contained                                                                       |
