### Identification

|               |                                 |
|---------------|---------------------------------|
| Category      | System cabling                  |
| Series        | Circular connectors M12         |
| Element       | Cable assemblies                |
| Specification | Pre-assembled on both sides     |
| Connector 1   | M12 A-coding<br>Male Straight   |
| Connector 2   | M12 A-coding<br>Female Straight |
| Type of cable | Copper cable (round)            |

### Version

|                 |                         |
|-----------------|-------------------------|
| Cable length    | 1.5 m                   |
| Number of cores | 4                       |
| Core structure  | 4x 0.34 mm <sup>2</sup> |
| Shielding       | Shielded                |
| Coding          | A-coding                |

### Technical characteristics

|                      |                |
|----------------------|----------------|
| Limiting temperature | -25 ... +80 °C |
|----------------------|----------------|

### Material properties

|                  |                    |
|------------------|--------------------|
| Material (cable) | PUR (polyurethane) |
| Colour (cable)   | Black              |

**Pushing Performance**  
Since 1945

## Commercial data

|                                |                                         |
|--------------------------------|-----------------------------------------|
| Packaging size                 | 1                                       |
| Net weight                     | 87.6 g                                  |
| Country of origin              | Czechia                                 |
