## Technical data

### Product properties

|              |              |
|--------------|--------------|
| Product type | Gerätemarker |
|--------------|--------------|

### Marking

|                             |   |
|-----------------------------|---|
| Number of individual labels | 1 |
|-----------------------------|---|

### Dimensions

|        |           |
|--------|-----------|
| Width  | 296.00 mm |
| Height | 200.00 mm |
| Depth  | 0.93 mm   |

### Material specifications

|                   |                  |
|-------------------|------------------|
| Adhesive strength | 50 µm            |
| Adhesive          | Acrylic          |
| Color             | multicolored     |
|                   | black (RAL 9005) |
|                   | white (RAL 9010) |
| Material          | TRANSPLY-ABS     |

### Environmental and real-life conditions

#### UV resistance

|               |                                |
|---------------|--------------------------------|
| Specification | ISO 4892-2:2013-03 (following) |
|---------------|--------------------------------|

#### Wipe resistance of inscriptions

|               |                                     |
|---------------|-------------------------------------|
| Specification | DIN EN 61010-1 (VDE 0411-1):2011-07 |
|---------------|-------------------------------------|

#### Ambient conditions

|                                                     |                                                                                 |
|-----------------------------------------------------|---------------------------------------------------------------------------------|
| Ambient temperature (operation)                     | -20 °C ... 85 °C                                                                |
| Recommended storage conditions                      | 20°C/50% relative humidity. Storage in the original packaging is recommended.   |
| Recommended ambient temperature (storage/transport) | 20 °C                                                                           |
| Recommended humidity (storage/transport)            | 50 % (Storage in a dry and dark place in the original packaging is recommended) |
| Shelf life                                          | 12 months                                                                       |

### Mounting

|               |          |
|---------------|----------|
| Mounting type | adhesive |
