ESD electronic front cutter, without chamfer, with opening spring

Product description

Note:
Due to the current challenges of the global procurement market, Phoenix Contact has unfortunately been forced to accept a different ESD-compliant material. In future, the tools will be supplied with plastic handles in black/turquoise. This does not affect the function or quality of the ESD pliers.

Your advantages

- Opening spring for uniform, smooth opening
- Ergonomically shaped two-component handles for fatigue-free and non-slip use
- Through-connected joint for permanent stability and optimum distribution of force
- Mirror-polished and phosphate-treated metal surfaces for optimum rust protection and no glare when working
- Special tool steel for permanent use
- Special conductive plastic handles for slow and controlled dissipation of electrostatic energy

Commercial data

Item number	1212485
Packing unit	1 pc
Minimum order quantity	1 pc
Sales key	BH31
Product key	BH3152
GTIN	4046356527170
Weight per piece (including packing)	103 g
Weight per piece (excluding packing)	96.2 g
Customs tariff number	82032000
Country of origin	DE
