

C-4BAYC2MP8LCDS2

4-Bay Cassette 2x 12-Fiber MPO In, 8 LC Duplex Out, Single-mode Duplex OS2

Features

- For 4-Bay Patch Panel
- 4-Bay Cassette
- 2xMPO to 8xLC Connector

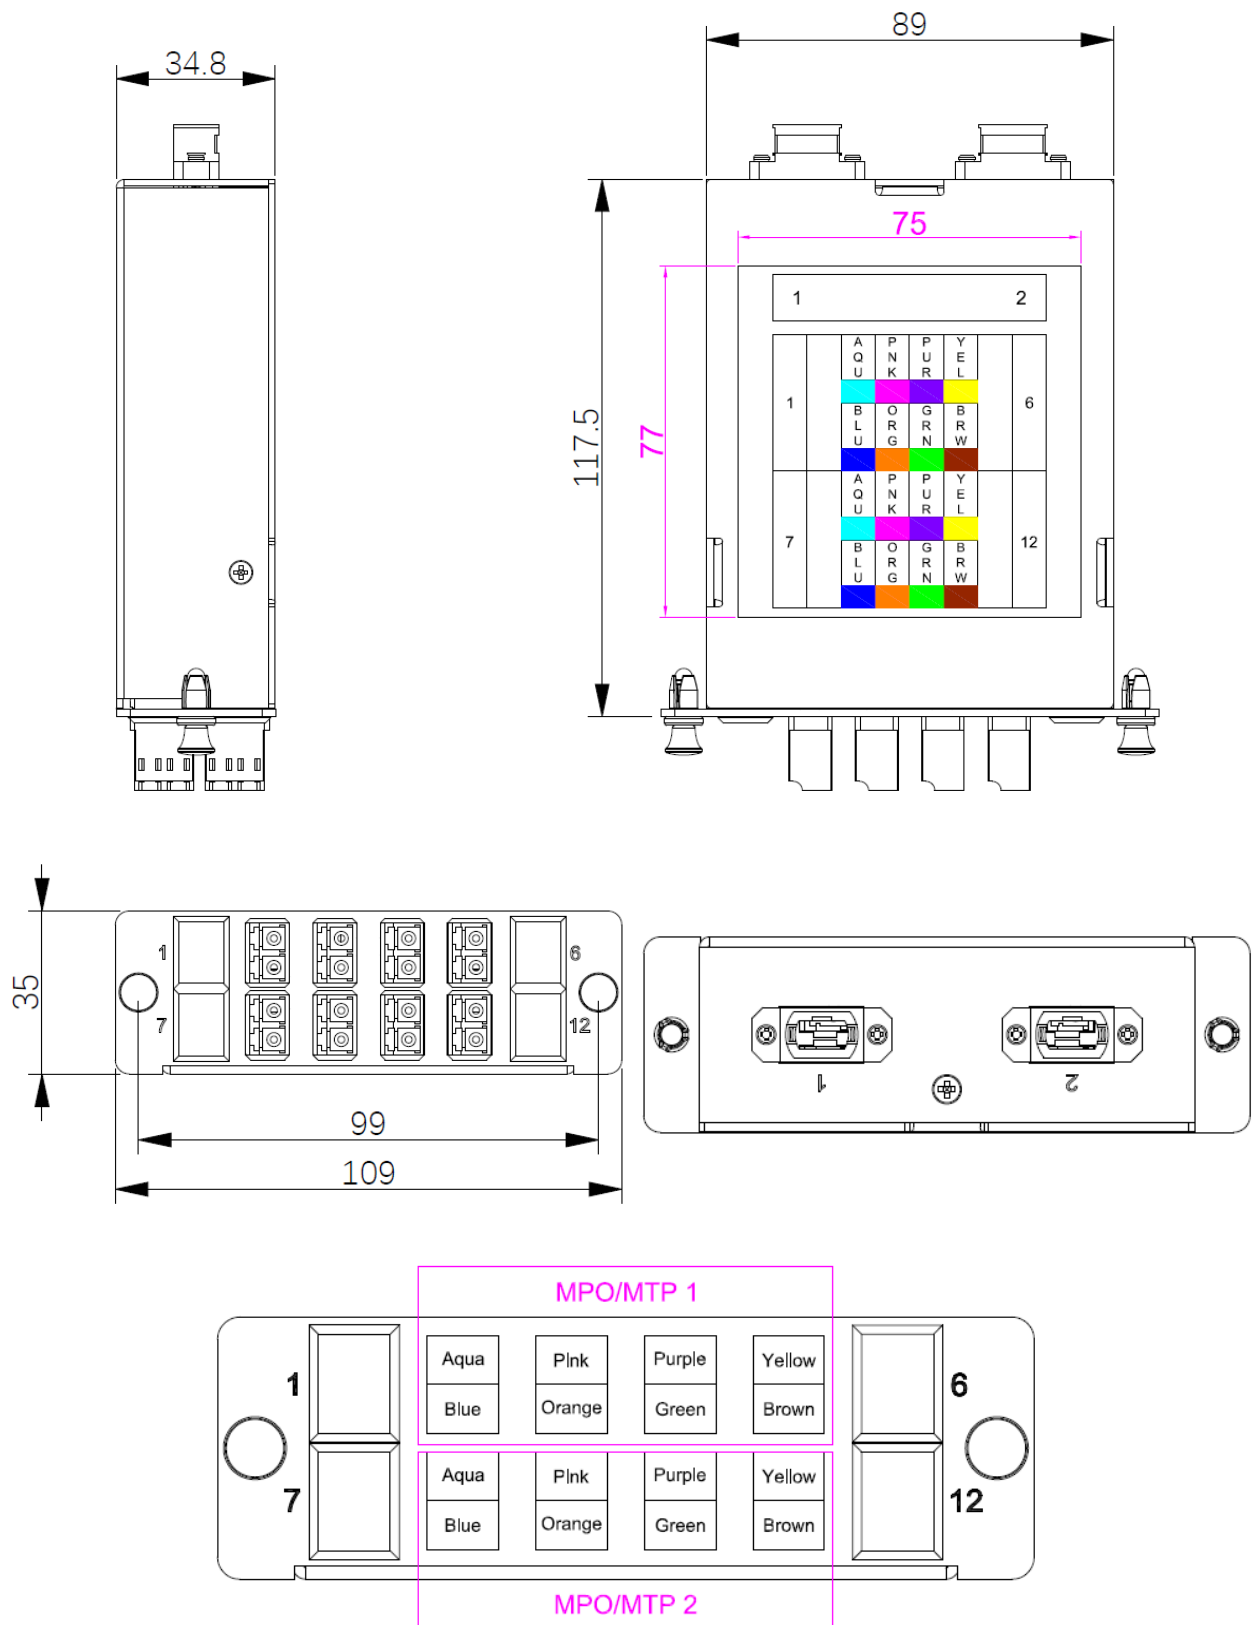

Product Description

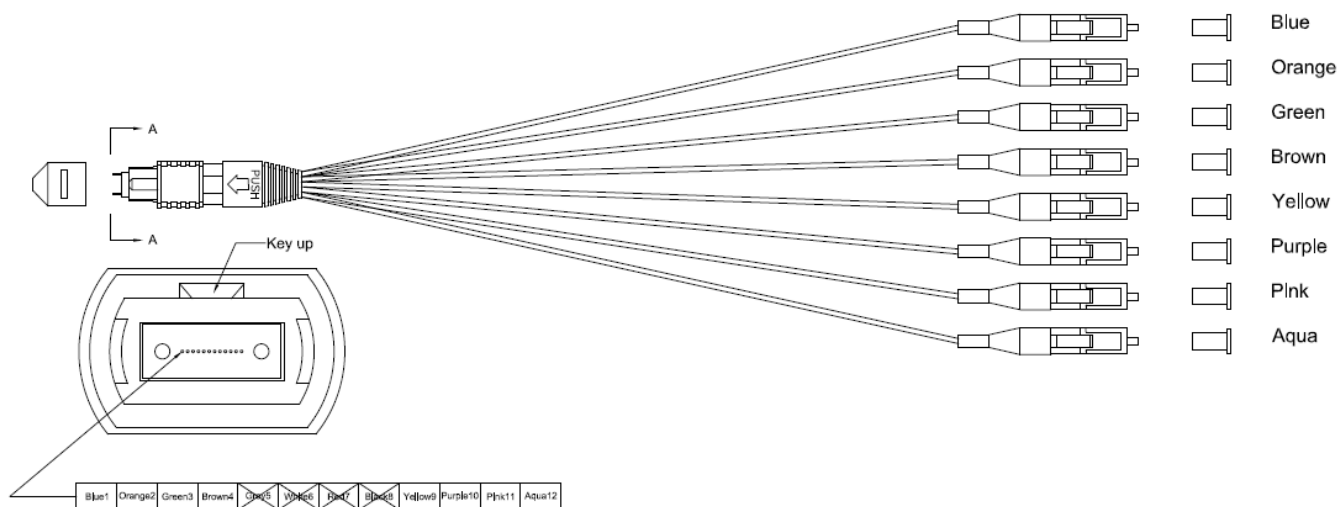

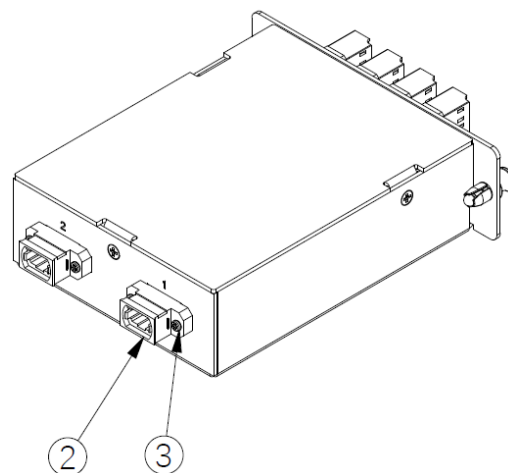

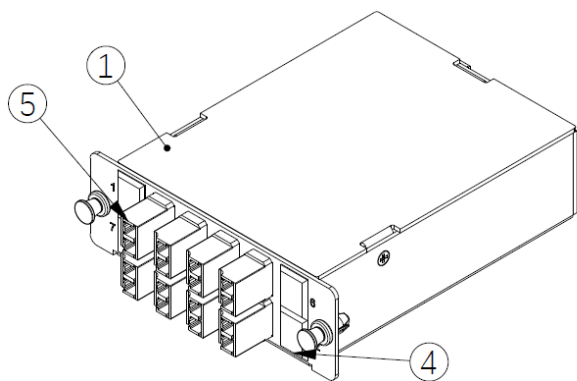

This is an MPO fiber optic cassette for a 4-bay interchangeable patch panel with 2 MPO In and 8 LC Duplex Out, single-mode duplex OS2. It is a highly flexible fiber management unit that can be used stand-alone or integrated into the MPO fiber optic patch panels. Additionally, we supply a high-quality MPO cassette designed to reduce installation time and cost for optical network infrastructures in the premises environment. All of our products are 100% guaranteed to work, providing you a cost effective solution for all of your network upgrade needs.

Specifications

Parameter	Specifications
Application	For 4-Bay Patch Panel
Cable Mode	Duplex
Connector 1	Male 2xMPO-8
Connector 2	Male 8xLC
Media	SMF
Standard	OS2
Strand Count	24
Type	Cassette

Mechanical Specifications

Notes:

1. Material: SPCC.
2. Finish: Black Powder Coat.

About ProLabs

Our experience comes as standard; for over 15 years ProLabs has delivered optical connectivity solutions that give our customers freedom and choice through our ability to provide seamless interoperability. At the heart of our company is the ability to provide state-of-the-art optical transport and connectivity solutions that are compatible with over 90 optical switching and transport platforms.

Complete Portfolio of Network Solutions

ProLabs is focused on innovations in optical transport and connectivity. The combination of our knowledge of optics and networking equipment enables ProLabs to be your single source for optical transport and connectivity solutions from 100Mb to 400G while providing innovative solutions that increase network efficiency. We provide the optical connectivity expertise that is compatible with and enhances your switching and transport equipment.

Trusted Partner

Customer service is our number one value. ProLabs has invested in people, labs and manufacturing capacity to ensure that you get immediate answers to your questions and compatible product when needed. With Engineering and Manufacturing offices in the U.K. and U.S. augmented by field offices throughout the U.S., U.K. and Asia, ProLabs is able to be our customers best advocate 24 hours a day.
