

## Technical data sheet

### Cable fittings and accessories

---

---

#### Identification

|          |                                 |
|----------|---------------------------------|
| Type     | TOP-T Reducer Metal M25-M20×1.5 |
| Part No. | RMM25-20                        |

---

#### Product version

|                   |    |
|-------------------|----|
| Datasheet version | 00 |
|-------------------|----|

---

#### Use/Application/Properties

|            |                                                                                                                  |
|------------|------------------------------------------------------------------------------------------------------------------|
| Properties | <ul style="list-style-type: none"><li>• Reduction of threads or clearance holes to smaller thread size</li></ul> |
|------------|------------------------------------------------------------------------------------------------------------------|

---

#### Technical data

|                   |                         |
|-------------------|-------------------------|
| Temperature range | +200 °C / +392 °F       |
| Thread standard   | metric acc. to EN 60423 |
| Thread G          | M 25×1.5                |
| Thread G1         | M 20×1.5                |
| SW                | 30 mm                   |
| L                 | 11.5 mm                 |
| L1                | 8 mm                    |

---

#### Construction

|          |                     |
|----------|---------------------|
| Material | Brass nickel-plated |
| Surface  | nickel-plated       |

---

#### Notes and Comments

|      |                          |
|------|--------------------------|
| Note | Locknuts sold separately |
|------|--------------------------|
