

Data sheet

6XV1812-8A

product type designation

product description

Energy cable 2 x 0.75

Power cable (2-core), sold by the meter, unassembled

Energy cable, 2-wire power line, stranded wire, 2x 0.75 mm², trailable Delivery unit max. 2000 m minimum order quantity 20 m sold by the meter

suitability for use

Connection of signaling contact and 24 V power supply to SCALANCE X and SCALANCE W

cable designation

L-YY-2x1x0.75 GR

electrical data

insulation resistance coefficient

1 GΩ·m

operating voltage / RMS value

600 V

conductor cross section / of the power line

0.75 mm²

continuous current / of the power lines

6 A

mechanical data

number of electrical cores

2

outer diameter

- of inner conductor 1.3 mm
- of the wire insulation 2.5 mm
- of cable sheath 7.4 mm

symmetrical tolerance of the outer diameter / of cable sheath

0.3 mm

design of stranding element

Pairs

conductor class

5

material

- of the conductor CU, blank
- of the wire insulation PVC
- of cable sheath PVC

product component / PE connection

No

marking / of cores

Color

color

- of the power line insulation brown / blue
- of cable sheath gray

bending radius

- with single bend / minimum permissible 19 mm
- with multiple bends / minimum permissible 45 mm
- with continuous bending 57 mm

number of bending cycles

100000

tensile load / maximum

100 N

weight per length

70 kg/km

ambient conditions

ambient temperature

- during operation -20 ... +80 °C
- during storage -20 ... +80 °C
- during transport -20 ... +80 °C

• during installation	-20 ... +80 °C	
ambient condition / for operation	temperature range for permanent installation -30 °C to 90 °C	
fire behavior	Flame-resistant acc. to IEC 60332-1	
class of burning behaviour / according to EN 13501-6	Eca	
chemical resistance		
• to mineral oil	Conditional resistance	
• to grease	Conditional resistance	
• to water	Conditional resistance	
radiological resistance / to UV radiation	resistant	
product features, product functions, product components / general		
product feature		
• halogen-free	No	
• silicon-free	Yes	
standards, specifications, approvals		
UL/ETL listing / 300 V Rating	Yes; CL3	
UL/ETL style / 600 V Rating	Yes	
certificate of suitability		
• EAC approval	Yes	
• RoHS conformity	Yes	
reference code		
• according to IEC 81346-2:2019	WDB

security information		
security information	<p>Siemens provides products and solutions with industrial cybersecurity functions that support the secure operation of plants, systems, machines and networks. In order to protect plants, systems, machines and networks against cyber threats, it is necessary to implement – and continuously maintain – a holistic, state-of-the-art industrial cybersecurity concept. Siemens' products and solutions constitute one element of such a concept. Customers are responsible for preventing unauthorized access to their plants, systems, machines and networks. Such systems, machines and components should only be connected to an enterprise network or the internet if and to the extent such a connection is necessary and only when appropriate security measures (e.g. firewalls and/or network segmentation) are in place. For additional information on industrial cybersecurity measures that may be implemented, please visit www.siemens.com/cybersecurity-industry. Siemens' products and solutions undergo continuous development to make them more secure. Siemens strongly recommends that product updates are applied as soon as they are available and that the latest product versions are used. Use of product versions that are no longer supported, and failure to apply the latest updates may increase customer's exposure to cyber threats. To stay informed about product updates, subscribe to the Siemens Industrial Cybersecurity RSS Feed under https://www.siemens.com/cert. (V4.7)</p>	
Approvals / Certificates		
General Product Approval		
Manufacturer Declaration	 Declaration of Conformity	 China RoHS

General Product Approval	Environment	Industrial Communication
