

product type designation

SFP993-1LH

SCALANCE X accessory; Plug-in transceiver SFP993-1LH; 1x 10000 Mbit/s LC port, optical; single-mode optical up to max. 40 km.

Technical Product Detail Page

interfaces

number of electrical/optical connections / for network components or terminal equipment / maximum	1
number of optical interfaces / for network components or terminal equipment / maximum	1
number of 10 Gbit/s LC ports (LX)	1
design of the optical interface / for network components or terminal equipment	LC
wavelength / of the optical interface	1550 nm; Single-mode
connectable optical power relative to 1 mW <ul style="list-style-type: none"> • of the transmitter output / minimum • of the transmitter output / maximum • of the receiver input / maximum 	-4.7 dB 4 dB 0.5 dB
optical sensitivity relating to 1 mW / of the receiver input / minimum	-14.1 dB
attenuation factor / of the FOC transmission link / minimum necessary	4.5 dB
range / at the optical interface / depending on the optical fiber used	0 ... 40 km
transmission method / for connection type 1	10GBASE-ER

ambient conditions

ambient temperature <ul style="list-style-type: none"> • during operation • during storage • during transport 	-40 ... +85 °C -40 ... +85 °C -40 ... +85 °C
relative humidity / at 25 °C / without condensation / during operation / maximum	95 %
protection class IP	IP20

design, dimensions and weights

design	SFP Module
width	14 mm
height	9 mm
depth	57 mm
net weight	0.02 kg
fastening method	latched

standards, specifications, approvals

standard <ul style="list-style-type: none"> • for safety / from CSA and UL • for emitted interference 	UL 62368-1 and CAN/CSA C22.2 No. 62368-1:19 EN 61000-6-4 (Class A)
---	---

<ul style="list-style-type: none"> • for interference immunity 	EN 61000-6-2
certificate of suitability	EN 61000-6-2:2005, EN 61000-6-4:2007
<ul style="list-style-type: none"> • CE marking 	Yes
<ul style="list-style-type: none"> • C-Tick 	Yes
<ul style="list-style-type: none"> • KC approval 	No
<ul style="list-style-type: none"> • CCC / for hazardous zone according to GB standard 	Yes; GB3836.1, GB3836.8
<ul style="list-style-type: none"> • CCC / for hazardous zone according to GB standard / as marking 	Ex nA IIC T4 Gc
<ul style="list-style-type: none"> • E1 approval 	No
Marine classification association	
<ul style="list-style-type: none"> • French marine classification society (BV) 	Yes
MTBF	300 a

standards, specifications, approvals / Environmental Product Declaration

Environmental Product Declaration	Yes
global warming potential [CO2 eq]	
<ul style="list-style-type: none"> • total 	39.79 kg
<ul style="list-style-type: none"> • during manufacturing 	1.7 kg
<ul style="list-style-type: none"> • during operation 	38.08 kg
<ul style="list-style-type: none"> • after end of life 	0.01 kg

security information

security information	<p>Siemens provides products and solutions with industrial cybersecurity functions that support the secure operation of plants, systems, machines and networks. In order to protect plants, systems, machines and networks against cyber threats, it is necessary to implement – and continuously maintain – a holistic, state-of-the-art industrial cybersecurity concept. Siemens' products and solutions constitute one element of such a concept. Customers are responsible for preventing unauthorized access to their plants, systems, machines and networks. Such systems, machines and components should only be connected to an enterprise network or the internet if and to the extent such a connection is necessary and only when appropriate security measures (e.g. firewalls and/or network segmentation) are in place. For additional information on industrial cybersecurity measures that may be implemented, please visit www.siemens.com/cybersecurity-industry. Siemens' products and solutions undergo continuous development to make them more secure. Siemens strongly recommends that product updates are applied as soon as they are available and that the latest product versions are used. Use of product versions that are no longer supported, and failure to apply the latest updates may increase customer's exposure to cyber threats. To stay informed about product updates, subscribe to the Siemens Industrial Cybersecurity RSS Feed under https://www.siemens.com/cert. (V4.7)</p>
