

**M12 Power male 0° L-cod. screw terminal**5-pol., max. 2,5mm<sup>2</sup>, 8 - 13mm

Art.No.: 7000-P4591-0000000

Weight: 0.027 kg

Country of origin: DE

Model designation: MSWAL-U-SK max. 2.5mm<sup>2</sup>

Male straight

M12

5-pole

L-coded

Screw terminals

Sealing range (cable Ø)

8...13 mm

The resistance to aggressive media should be individually tested for your application. Further details on request.

Material short text	MSWAL-U-SK max. 2.5mm²
---------------------	------------------------

**Side 1**

Family construction form	M12P
No. of poles	5
Coding	L
Gender	male
Mounting method	inserted, screwed
Threaded hole	M12 x 1
Cable outlet	straight
Material contact	Copper alloy

**Side 2**

Mounting method	field-wireable
-----------------	----------------

**Commercial data**

**Electrical data | Supply**

Operating voltage AC max.	63 V
Operating voltage DC max.	63 V
Current operating per contact max.	16 A

**Diagnostics**

Status indication LED	no
-----------------------	----

**Installation**

Cross section connection with wire end ferrule max.	1,5 mm²
Cross section connection with wire end ferrule AWG max.	16 AWG

Cross section connection without wire end ferrule max.	2,5 mm <sup>2</sup>
--	---------------------

Cross section connection without wire end ferrule AWG max.	14 AWG
--	--------

AWG number max.	14
-----------------	----

#### Installation | Connection

Connection	Screw terminals SK
------------	--------------------

Mounting set	M12 x 1
--------------	---------

Mating cycles min.	100
--------------------	-----

#### Device protection | Electrical

Degree of protection (EN IEC 60529)	IP67
-------------------------------------	------

Additional condition protection degree	inserted, screwed
--	-------------------

Pollution Degree	3
------------------	---

Overvoltage category (EN 60950-1)	III
-----------------------------------	-----

Rated surge voltage	1,5 kV
---------------------	--------

Material group (IEC 60664-1)	II
------------------------------	----

#### Mechanical data | Material data

Material housing	PA
------------------	----

Material contact carrier	PA
--------------------------	----

Coating contact	gold plated
-----------------	-------------

#### Mechanical data | Mounting data

Mounting method	Schraubgewinde
-----------------	----------------

Clamping range min.	8 mm
---------------------	------

Clamping range max.	13 mm
---------------------	-------

#### Environmental characteristics | Climatic

Operating temperature min.	-40 °C
----------------------------	--------

Operating temperature max.	85 °C
----------------------------	-------

#### Important installation notes

Note on bending radius	<b>Attention:</b> Observe the permissible bending radii when laying cables, as the IP protection class can be endangered by excessive bending forces.
------------------------	---

Note on strain relief	Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties.
-----------------------	---
