

IEC Miniature Fuse Holders

Panel Mount Fuseholders - PU PTF

FUSE HOLDERS

MINIATURE FUSE BASES & HOLDERS

Mersen fuseholders for 5x20 miniature fuses combine robustness and safety, thanks to their compliance with IEC 60127-6 and their design for panel or PCB mounting. Their IP40 protection rating and shock resistance make them a reliable solution for use in a variety of environments. Their maximum contact resistance of 5 to 10 mΩ ensures optimum electrical performance, and their material meets UL94V0 flammability requirements for enhanced safety in the event of fire exposure.

TECHNICAL DATA OVERVIEW

Rated Voltage	250 VAC
Rated current	10 A
IEC resistance voltage	3 kV
Frequency	50Hz / 60Hz
Contact resistance	5/10 mΩ MAX
Mounting	Panel and Printed circuit board mounting
Product Size	For minitature fuses size 5x20
Number of poles	1-Pole

FEATURES & BENEFITS

- Protection class: I o II
- Index of protection: IP40
- Contact resistance: 5/10 mΩ MAX
- Flammability rating: UL94V0
- Operating temperature : -30°C to +120°C
- Compliance: lead-free and ROHS

APPLICATIONS

- For miniature fuse 5x20
- Printed circuit board mounting
- Panel mounting

STANDARDS

- IEC 60127-6

IEC Miniature Fuse Holders

Panel Mount Fuseholders - PU PTF

PRODUCT RANGE

MIPUPTF30

IEC Miniature Fuse Holders - Panel Mount FH PU PTF30 /10

Catalog number	Item number	Designation	Rated voltage	Design	Package
MIPUPTF30	T204947	PU PTF 30	250 V	Screw cap	10

IEC Miniature Fuse Holders - Panel mounting FH PU PTF35 /10

Catalog number	Item number	Designation	Rated voltage	Design	Package
MIPUPTF35	V204948	PU PTF 35	250 V	Screw cap	10

IEC Miniature Fuse Holders - Panel mounting FH PU PTF40 /10

Catalog number	Item number	Designation	Rated voltage	Design	Package
MIPUPTF40	W204949	PU PTF 40	250 V	Screw cap	10

IEC Miniature Fuse Holders - PCB mounting FH PU PTF45 /10

Catalog number	Item number	Designation	Rated voltage	Design	Package
MIPUPTF45	X204950	PU PTF 45	250 V	Bayonet cap	10

MIPUPTF50

IEC Miniature Fuse Holders - PCB mounting FH PU PTF50 /10

Catalog number	Item number	Designation	Rated voltage	Design	Package
MIPUPTF50	Y204951	PU PTF 50	250 V	Bayonet cap	10

MIPUPTF70

IEC Miniature Fuse Holders - Panel mounting FH PU PTF70 /10

Catalog number	Item number	Designation	Rated voltage	Design	Package
MIPUPTF70	A204953	PU PTF 70	250 V	Bayonet cap	10

IEC Miniature Fuse Holders - PCB mounting FH PU PTF45/1000

Catalog number	Item number	Designation	Rated voltage	Design	Package
MIPUPTF45/1000	X204950T	PU PTF 45/1000	250 V	Bayonet cap	1000
