## XHD Splice Tray Kit For 144F+ (For Mass Fusion)

### Product Description

XHD Splice Tray Kit For 144F+ (For Mass Fusion)

### Technical Specifications

#### Product Overview

|                        |                                                                                                 |
|------------------------|-------------------------------------------------------------------------------------------------|
| Environmental Space:   | Indoor                                                                                          |
| Suitable Applications: | FiberExpress Solutions, Backbone, Telecommunications Room, Main Distribution Room, Data Centers |

#### Material

|                 |          |
|-----------------|----------|
| Weight:         | 0.4 lbs  |
| Overall Height: | 1.47 in  |
| Overall Width:  | 15.92 in |
| Overall Length: | 5.5 in   |

#### Physical Specifications

|               |       |
|---------------|-------|
| Max Capacity: | 152 F |
|---------------|-------|

#### Mechanical Characteristics

|                   |                      |
|-------------------|----------------------|
| Termination Type: | Front Sliding Drawer |
|-------------------|----------------------|

#### Temperature Range

|                              |                |
|------------------------------|----------------|
| Operating Temperature Range: | -10°C To +60°C |
| Storage Temperature Range:   | -10°C To +60°C |

#### Product Material

##### Materials

| Description | Material      |
|-------------|---------------|
| Splice Tray | Aluminum      |
| Spool       | Polypropylene |

#### Standards

|                                   |        |
|-----------------------------------|--------|
| EU Directive 2011/65/EU (RoHS 2): | Yes    |
| MIL Order #39 (China RoHS):       | EUP 50 |

#### Related Part Numbers

|                 |                                                      |
|-----------------|------------------------------------------------------|
| Included Parts: | 2 x Nut, 2 x Lock Washer, 2 x Spool, 1 x Splice Tray |
|-----------------|------------------------------------------------------|

#### Product Notes

|            |                                                                                                                   |
|------------|-------------------------------------------------------------------------------------------------------------------|
| Packaging: | Individually packaged in a cardboard box.                                                                         |
