## Catalog No. 2TLA020071R8000

**Description:** GATE-P2 PROFIBUS GATEWAY

**UPC No** 7320500410677

**Home > Machine Safety > Programmable Safety Controllers**

Gateway for 2-way communication between the Pluto bus and Profibus. With the use of a Gateway device, Pluto can communicate with other control systems and thereby form a part of a larger network. The unit has a common interface with Pluto, i.e. the same cabling and the Pluto Manager software can be used for servicing and where necessary programming.

### Descriptors

|          |                                 |
|----------|---------------------------------|
| Category | Programmable Safety Controllers |
|----------|---------------------------------|

### Specifications

|                                                     |                                       |
|-----------------------------------------------------|---------------------------------------|
| Supply Voltage                                      | 24VDC                                 |
| Product Main Type                                   | Gateway                               |
| With Safety Bus                                     | Yes                                   |
| Safe Outputs                                        | N/A                                   |
| Safe inputs/non-failsafe outputs/safe analog inputs | N/A                                   |
| Product Class                                       | Safety Programmable Logic Controllers |
| Degree of Protection                                | IP20                                  |

### Classifications

|                |                                                          |
|----------------|----------------------------------------------------------|
| ETIM 4         | EC001099 - System interface/media gateway for bus system |
| ETIM 5.0       | EC001099 - System interface/media gateway for bus system |
| ETIM 6.0       | EC001099 - System interface/media gateway for bus system |
| ETIM 7         | EC001099 - System interface/media gateway for bus system |
| ETIM 8 (Etim8) | EC001099 - System interface/media gateway for bus system |

### Dimensions

|                            |        |
|----------------------------|--------|
| Product Net Depth / Length | 119 mm |
| Product Net Height         | 101 mm |
| Product Net Width          | 23 mm  |
| Product Net Weight         | 0.12kg |

### Safety Information

|                   |     |
|-------------------|-----|
| Performance Level | N/A |
|-------------------|-----|
