Catalog No. DS1504MRAB0

Description: 100A,NLT,4P5W,MG,504,AB0,3PY277V

UPC No 708917193852

Home > Connectivity & Grounding > Russellstoll > Electrical plugs

MaxGard Male Inlet with Angle Adapter and Junction Box, 100 Amp, 4 Pole 5 Wire, 30Y 277/480V, 60Hz

Descriptors

|                  |                                                                                                                                                                  |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Category         | Electrical plugs                                                                                                                                                 |
| Special Features | Waterproof construction provides environmental separation at the front of each device (they don't have to be connected together just to be called "watertight"). |
| Application      | Convention centers and areanas                                                                                                                                   |
