

## Catalog No. RE737NP

**Description:** NYL RING No6AWG 3/8 STUD NICKELPLTD

**UPC No** 786210980904

**Home > Connectivity & Grounding > Sta-Kon > Electrical terminals**

Nylon Insulated Large Ring Terminal, Length 1.76 Inches, Width .61 Inches, Maximum Insulation .420, Bolt Hole 3/8 Inch, Wire Range 6, Color Blue, Copper, Nickel Plated, 200 Pack

### Descriptors

|          |                      |
|----------|----------------------|
| Category | Electrical terminals |
|----------|----------------------|

### Specifications

|          |       |
|----------|-------|
| Material | Nylon |
| Color    | Blue  |

### Classifications

|            |         |
|------------|---------|
| Brand Name | Sta-Kon |
|------------|---------|

### Dimensions

|           |       |
|-----------|-------|
| Wire Size | 6 AWG |
|-----------|-------|

### Compliance and Certifications

|      |                             |
|------|-----------------------------|
| RoHS | RoHS3 Compliant             |
| TSCA | TSCA Section 6(h) Compliant |

|                      |                                                            |
|----------------------|------------------------------------------------------------|
| ETIM                 | EC001052 Solderless copper terminals for copper conductors |
| Flange shape         | Ring shape                                                 |
| Insulation           | PA                                                         |
| Colour insulation    | Blue                                                       |
| Reel packaging       | N                                                          |
| Material             | Copper                                                     |
| Surface protection   | Nickel-plated                                              |
| Stud size (imperial) | 3/8 inch                                                   |
