

Single-Monitor Desk Mount - Height Adjustable - Steel - For up to 34" (30.9lb/14kg) Displays - TAA

**Product ID:** ARMPIVOT

Save space and work in greater comfort with this monitor desk mount. The simple and stylish monitor pole lets you mount a single VESA mount monitor (75x75, 100x100) above your desk or table, and adjust the position of your display for ideal viewing.

With the computer screen mount, you can suspend your display on a support post above the desk surface and adjust your display height, position and viewing angles easily for an ergonomic work environment. The display mount gives you the added benefit of reclaiming valuable workspace on your desk. The steel single-monitor mount securely supports displays up to a maximum weight of 30.9 lb. (14 kg).

The height adjustable monitor arm features an 11.89" (302mm) tall support post, so you can adjust the height of your monitor along the pole.

Enjoy optimum viewing with easy tilt adjustment. The VESA mount can be rotated 360 degrees around the support pole to adjust your screen position. For viewing longer pages or blocks of code without scrolling, the monitor arm also supports landscape to portrait display rotation.

The display mount is made of steel for long-lasting performance.

The desk clamp monitor mount is easy to install. For added installation flexibility, the included mounting hardware can either clamp to the side of your desk, or mount through a grommet hole. The display mount integrates a cable management hook to keep things neat.

The TAA compliant ARMPIVOT is backed by a StarTech.com 10-year warranty and free, lifetime technical support.

## Certifications, Reports and Compatibility

## Applications
