

## 80x25mm Dual Ball Bearing Computer Case Fan w/ TX3 Connector

Product ID: FANBOX2

This versatile PC case fan measures 8cm x 8cm x 2.5cm (3 1/8" x 3 1/8" x 1"), designed to fit a broad range of computer case designs, helping to improve internal airflow within the computer case by circulating cool air into the case or exhausting warm air away from the computer.

A quiet cooling solution, the 8cm dual ball-bearing fan features a high-efficiency blade design that's capable of moving 32 CFM throughout the computer case.

This broadly compatible PC cooling solution can be powered through a simple TX3 (3-pin) connection to the computer power supply and is backed by StarTech.com's 2-year warranty.

## Certifications, Reports and Compatibility

## Applications

- Replace a noisy or failed computer case fan
- Install into a computer chassis to increase air flow and cooling

## Features

- Dual ball bearing design
- 3-pin TX3 power connector

---

**Hardware**

Warranty	2 Years
Number of Conductors	3
Fan Bearing Type	Ball Bearing

---

**Performance**

Air Flow Rate	37.3 CFM
Noise Level	33 dBA
MTBF	56,609 hours
Fan RPM	3000

---

**Connector(s)**

Connector Type(s)	1 - Fan (3 pin, TX3)
-------------------	----------------------

---

**Power**

Input Voltage	12V DC
Input Current	0.16
Power Consumption (In Watts)	1.92W

---

**Environmental**

Operating Temperature	-10 to 80
-----------------------	-----------

---

**Physical Characteristics**

Color	Black
Material	Plastic
Product Length	3.1 in [80 mm]
Product Width	1.0 in [2.5 cm]
Product Height	3.1 in [8 cm]
Weight of Product	2.5 oz [70 g]

---

**Packaging**

**Information**

Package Quantity	1
Package Length	5.6 in [14.3 cm]
Package Width	3.7 in [9.5 cm]
Package Height	1.3 in [3.4 cm]
Shipping (Package) Weight	3.6 oz [102.0 g]

---

**What's in the Box**

Included in Package	1 - 8cm Case Fan  4 - Mounting Screws
---------------------	---------------------------------------------

---

**Warranty Information**

Warranty	2 Years
----------	---------

---
