12U 19" Desktop Open Frame Rack - 2 Post Free-Standing Network Rack Switch Depth for Patch Panel/Data/AV/Communication/Studio Equipment 110lb(50kg) Capacity w/Cage Nuts/Screws - TAA

Product ID: RK12OD

This 2-post desktop rack provides 12U of storage space for mounting smaller A/V and IT equipment.

With this 2-post rack, you can mount equipment at a fraction of the cost of conventional racks. The lightweight rack is engineered to meet EIA-310 rack-mount standards and is constructed of solid steel, ensuring a sturdy and safe mounting solution for your mission-critical equipment.

The rack features an open frame, free standing design that saves space with a small footprint. It gives you the ability to place rack-mount equipment on any surface in your office, such as your desk. This makes it easy to access your equipment on a daily basis.

The free standing network rack is easy to assemble and includes a pack of 20 M6 screws and cage nuts. If you're looking for other sizes, StarTech.com also offers 4U and 8U 2-post desktop computer racks.

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales.

The RK12OD is backed by a StarTech.com lifetime warranty and free technical support.

If you're looking for a desktop mounting solution with less rack units, StarTech.com also offers a 8U 2-post desktop rack and 4U 2-post desktop rack.
