

8 Port Rackmount KVM Console w/ 6ft Cables - Integrated KVM Switch w/ 19" LCD Monitor - Fully Featured 1U LCD KVM Drawer- OSD KVM - Durable 50,000 MTBF - USB + VGA Support

Product ID: RKCONS1908K

This rack-mount KVM console provides complete keyboard, monitor and mouse control for eight computers. The rack-mount console installs into 1U of rack space, offering a space-efficient solution for complete console control.

This 8-port KVM switch provides all the essential controls you'll need to manage your server room at a low cost. The console features a built-in touchpad, keyboard (QWERTY) for intuitive control and an LCD display that supports resolutions up to 1280x1024.

This versatile rack-mount LCD console has a 19 in. screen. The increased screen space allows you to run multiple applications on the same screen, increasing your productivity.

The console slides out from 1U of rack space, enabling you to easily monitor and control eight servers and even more if connecting through a KVM switch. The rackmount VGA console features a handle for easy sliding in and out of the server rack, keeping your area organized and clutter-free.

The rackmount LCD features an 8-port KVM module, which enables you to connect it directly to eight servers. The KVM module offers the flexibility you need for easily integrating the console into your existing server infrastructure.

The RKCONS1908K is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Control a single system, or dozens of KVM-connected computers
- Improve the internal space efficiency of your server cabinet
