# Technical details

## Electrical Configuration

|                                    |                               |
|------------------------------------|-------------------------------|
| Number of contacts Low Voltage     | 8                             |
| Contact Termination Low voltage    | Crimp                         |
| R (max)                            | 6.1 mOhm                      |
| Insert configuration value         | 1F.308 - 8 Low Voltage        |
| Footprint IPC Class3 compatibility | No                            |
| Insulator                          | L: PEEK (UL 94 / V-0/1.5)     |
| Rated current                      | 5 A                           |
| Vtest (contact-contact)            | 1300 V (AC), 1840 V (DC)      |
| Vtest (contact-shell)              | 1300 V (AC), 1840 V (DC)      |
| Contact retention                  | 22 N                          |
| Max. Conductor                     | 0.34 mm <sup>2</sup> (AWG 22) |
| Min. Conductor                     | 0.14 mm <sup>2</sup> (AWG 26) |
| Bucket Dia.                        | 0.8 mm (0.031in)              |
| Contact Dia.                       | 0.7 mm (0.028in)              |
| Wire Size/AWG                      | 26 - 22                       |
| Gender                             | Reverse Gender                |

## Form & Material

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| Shell style / Model id | FG - Straight plug                                                                                      |
| Plug                   | Straight                                                                                                |
| Housing material       | Aluminium (nickel plated [SAE AMS QQ N 290], anthracite color) shell and nut, other pieces bronze/brass |
| Locking system         | Push-pull                                                                                               |
| Keying                 | 3 keys (beta=155, gamma=50, plug: female contacts, receptacle: male contacts)                           |
| Colour                 | Grey                                                                                                    |
| Weight                 | 8.9 g                                                                                                   |
