The technical drawing consists of two parts. The upper part is a cross-sectional view of a mechanical assembly. It shows a cylindrical component on the left with internal features, and a larger, more complex component on the right. A label 'Fold taking part' with a leader line points to a specific feature on the right component. The lower part is a perspective view of the same assembly, showing the components from an angled perspective. A curved arrow indicates a rotational movement of the assembly.

NOTES

- 1 This is delivered by a reel.QTY:4000pcs
- 2 Shown on a reel and a box is ; ' Part No.', ' Code No.', ' Lot No.', ' QTY'
- 3 Cut off a career as shown in fig-2.
