The RS 100 Profi offers you a flexible solution for your mounting needs, as both DIN rail mounting and wall mounting are possible. This versatility facilitates integration into different environments and applications. The housing can be used for the Eurocard PCB standard. The profile can be cut to size so that you can adapt it precisely to your specific requirements. For particularly heavy components, additional locking feet can be used to improve stability and thus increase the safety of your installation.

Another practical feature is the option of using a cover profile to protect large components.

General ordering data

Version	Clip-in foot, RS 80, RS 90, RS 100 orange, Clip-in foot, Width: 17.5 mm
Order No.	1020690000
Type	RF 108 OR
GTIN (EAN)	4032248740154
Qty.	20 pc(s).
