

Certificate of Compliance:

**EU RoHS 3; China RoHS 2; EU REACH (SVHC 250); PFOA;
California Proposition 65; TSCA; Asbestos-free; Ozone Depleting
Substances; Red Phosphorous; Volatile Organic Compounds; Persistent
Organic Pollutants (Stockholm Convention/EU Regulation 2019/1021)
Uygur Forced Labor Prevention Act & Radioactive Substances Regulations;
Export Controls: Germanium & Gallium; Russian Origin Metal Import
Regulations**

EU RoHS 3 & China RoHS 2

Global Connector Technology certify that the following part(s) comply with the EU Directive 2011/65/EU and its Amendments, with EU RoHS 3 (Restriction of hazardous Substances) 2015/863 Directive and its Amendments, and also with Republic of China MIIT Order No. 32 (China RoHS 2) and its Amendments and that they do not exceed the maximum permissible concentration values:

- ✓ Lead Pb - 0.1% by weight in homogenous materials
- ✓ Mercury Hg - 0.1% by weight in homogenous material
- ✓ Cadmium Cd - 0.01% by weight in homogenous material
- ✓ Hexavalent chromium - 0.1% by weight in homogenous material
- ✓ Poly Brominated Biphenyl PBB - 0.1% by weight in homogenous material
- ✓ Poly Brominated Diphenyl Ether PBDE - 0.1% by weight in homogenous material
- ✓ Bis(2-Ethylhexyl) phthalate (DEHP): 0.1% by weight in homogenous materials
- ✓ Benzyl butyl phthalate (BBP): 0.1% by weight in homogenous materials
- ✓ Dibutyl phthalate (DBP): 0.1% by weight in homogenous materials
- ✓ Diisobutyl phthalate (DIBP): 0.1% by weight in homogenous materials

Part/Series number

All part codes beginning BB, BC, BD, BF, BG, BH, BK
All part codes beginning BG, BL & BJ
All part codes beginning DCJ
All part codes beginning SIM, CH03
All part codes beginning MEM
All part codes beginning MJ
All part codes beginning USB
All part codes beginning FFC1B, FFC2A, FFC2B, FFC3B, FFC2C, FFC3A
All part codes beginning 05- & 10-
All part codes beginning CAB, CABLE
All part codes beginning RFCT, RFPC
All part codes beginning TAD, TAH, TBC, TBD, TBJ
All part codes beginning SWT
All part codes beginning SCC, SCS

Description

Board to board Connectors
Wire Trap Connectors
DC Power Jacks
SIM Card Connectors
Memory Card Connectors
Modular Jack Connectors
USB Connectors & Gaskets
Flat Flexible Cable Connectors
Flat Flex Cable
RF Coaxial Cable Assemblies
RF Connectors
Terminal Blocks
Tactile Switches
Spring Contacts

For all other part codes please contact your nearest GCT office - <http://www.gct.co/contact>

EU REACH Regulation (SVHC 250)

In 2007, the European Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) entered into force. As of 25th June 2025, the list contains 250 Substances of Very High Concern (SVHCs).

GCT can confirm that all standard product(s), as stated above, do not contain any of the 250 SVHCs at levels in excess of 0.1% w/w and therefore no products require REACH registration under the Substances of Concern In Products (SCIP) database. GCT can also confirm that all standard product(s), as stated above, do not contain any substances as listed in REACH Annex XVII (Restricted List) and Annex XIV (Authorisation List).

We work closely with our suppliers regarding chemical usage to ensure the meeting all regulations. In the future, if our monitoring indicates a change in REACH status for any product we supply we will inform that customer(s) accordingly and register that chemical with REACH/SCIP.

Lead(Pb) is used in copper alloys (brass) at a level >0.1% w/w but less than 4% w/w in the manufacture of RF connectors (all part codes beginning CAB, CABLE, RFCT & RFPC), this usage being covered by exemption 6c in Appendix III of the RoHS Directive.

Also, as the total amount of lead(Pb) used in our articles imported into the E.U. is less than one tonne per year, our products are exempt from REACH pre-registration. GCT is concerned about the environment and our impact upon it. We are proactive in minimising our use of chemicals wherever possible.

PFOA/PFAS: COMMISSION REGULATION (EU) 2017/1000 and USEPA Guidance

Global Connector Technology confirms specifically that above-stated parts are free from Perfluorooctanoic acid ('PFOA'), its salts and PFOA-related substances. Additionally, Global Connector Technology confirms specifically that above-stated parts are free from per- and polyfluoroalkyl substances – known as PFAS.

Compliance with The Safe Drinking Water and Toxic Enforcement Act of 1986 (California Proposition 65)

Global Connector Technology certify that all standard parts, as stated above, comply with The Safe Drinking Water and Toxic Enforcement Act of 1986 (California Proposition 65) based upon the list of chemicals published under this legislation on January 3rd 2025.

We work closely with our suppliers regarding chemical usage to ensure the meeting all regulations. In the future, if our monitoring indicates a change in the published lists of chemicals which relate to any product we supply we will inform customers accordingly.

Compliance with The Toxic Substances Control Act (USA) – PBT Chemicals Restrictions

On January 6, 2021, the U.S. Environmental Protection Agency (EPA) published final rules under Toxic Substances Control Act (TSCA) Section 6(h) to restrict the importation and use of the following five persistent, bio-accumulative, and toxic (PBT) chemicals:

- PIP (3:1) (phenol, isopropylated phosphate (3:1), CAS 68937-41-7)
- DecaBDE (decabromodiphenyl ether, CAS 1163-19-5)
- 2,4,6 TTBP (2,4,6-tris(tert-butyl)phenol, CAS 732-26-3)
- HCBd (hexachlorobutadiene, CAS 87-68-3)
- PCTP (pentachlorothiophenol, CAS 133-49-3)

Global Connector Technology certify that all standard parts, as stated above, do not contain any of the above substances at any concentration.

In addition, Global Connector Technology certify that all standard parts, as stated above, do not contain any of the 67 substances specified by The Toxic Substances Control Act at concentrations above the levels permitted under The Act.

Compliance with Chinese Mandatory National Standards for Volatile Organic Compounds (VOCs): GB 30981-2020; GB 33372-2020; GB 38507-2020; GB 38508-2020

Global Connector Technology certify that all standard parts, as stated above, comply with the below detailed Chinese Standards for VOCs:

GB 30981-2020: Limit of harmful substances of industrial protective coatings

GB 33372-2020: Limit of volatile organic compounds content in adhesive

GB 38507-2020: Limits of volatile organic compounds (VOCs) in printing ink

GB 38508-2020: Limits for volatile organic compounds content in cleaning agents

Declaration of Asbestos-free Status of GCT Products

Global Connector Technology certify that all standard parts, as stated above, are free from asbestos and asbestos-related compounds.

Export Controls (China): Germanium & Gallium

In regard to export controls applicable from 1st August 2023 from China of Germanium and Gallium, Global Connector Technology certify that all standard parts, as stated above, are free from both Germanium and Gallium and related compounds.

Red Phosphorus

GCT hereby declares that all products manufactured and supplied by GCT are free from Red Phosphorus. Furthermore, GCT declares that Red Phosphorus is not used in the manufacture of any GCT products.

Russian Origin Metal Import Regulations

GCT hereby declares that all materials used in the production of the above-named products are compliant with:

- EU Russian Federation Iron and Steel Ban introduced by the EU Council Regulation (EU) 2023/1214 of 23 June 2023 (as it amends Council Regulation 833/2014) and by the United Kingdom (UK) in Schedule 3B in The Russia (Sanctions) (EU Exit) (Amendment) Regulations 2023 (amending The Russia (Sanctions) (EU Exit) Regulations 2019);
- Additional import restrictions introduced by Council Regulation (EU) 2023/2878 of 18 December 2023 (as it amends Council Regulation No 833/2014) (including the addition of restrictions on the imports of certain aluminum items);
- Additional metal import restrictions introduced by the UK on 14 December 2023 in Schedule 3BA of The Russia (Sanctions) (EU Exit) (Amendment) (No. 4) Regulations 2023 (amending The Russia (Sanctions) (EU Exit) Regulations 2019);
- Restrictions on the importation and trading of Aluminum, Copper and Nickel of Russian origin announced by the United States and UK on 12 April 2024 with effect from 13 April 2024;

as may be amended and extended from time to time by the issuing governments.

Declaration of Free from Ozone Depleting Substances

Global Connector Technology certify that all standard parts, as stated above, are free from Ozone Depleting Substances.

Declaration of Compliance with Stockholm Convention (Persistent Organic Pollutants)

Global Connector Technology certify that all standard parts, as stated above, are free from Persistent Organic Pollutants currently within the scope of the Stockholm Convention and as specified under EU Regulation (EU) 2019/1021.

Additionally, Global Connector Technology certify that all parts, as stated above, are free from Persistent Organic Pollutants currently within the scope of United Kingdom Environment Agency regulations on Persistent Organic Pollutants as published 27 March 2015 and last updated 12 January 2024.

Uyghur Forced Labor Prevention Act (UFLPA)

The UFLPA prohibits the importation of goods made in the Xinjiang Uyghur Autonomous Region of the People's Republic of China ("XUAR") based on the presumption that all goods made in the region are made with forced labor.

U.S. Customs and Border Protection ("CBP") released its first set of guidance relating to the UFLPA, which went into effect on June 21, 2022.

Concerning the requirements of UFLPA, we hereby certify that the products supplied by GCT are not produced wholly or in part in China's Xinjiang Uyghur Autonomous Region or produced by certain entities which are in the UFLPA entity list.

Declaration of Compliance with EU Radioactive Substances Regulations

Global Connector Technology certify that all standard parts, as stated above meet the following requirements of EU Regulation 2013/59/EURATOM:

<http://eur-lex.europa.eu/legal-content/EN/TXT/PDF/?uri=CELEX:32013L0059&from=EN>

Declaration:

We declare that the above-named GCT products comply with and conform to the above-stated requirements, standards and legislation:
