## REACH Statement

**Products: various**

Dear Sir and Madam,

**Regulation (EC) No 1907/2006 of December 18<sup>th</sup> 2006** regulates the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) and requires the communication along the supply chain on the use of substances classified as SVHC (substance of very high concern) in a concentration above 0.1% weight by weight (w/w). All substances classified as SVHC are listed on the Candidate List published by European Chemicals Agency (ECHA), last updated on February 4th, 2026.

We hereby inform you according to Article 33 of the REACH Regulation, that the following products listed in **Annex 1 "REACH SVHC Data"** supplied by us a) may contain substances of very high concern (SVHC) of the candidate list (as of February 4th, 2026) in concentrations above 0.1 % or b) do not contain SVHC.

Further to the best of our knowledge and based on the information provided by our supply chain, our products do not contain any substances listed in Annex XIV (Authorization List) and are in compliance with the restrictions set forth in Annex XVII (Restriction List).

Should you require information on SVHC for a product not contained in Annex 1 please contact [productmaterialcompliance@baslerweb.com](mailto:productmaterialcompliance@baslerweb.com).
