Industry Applications.

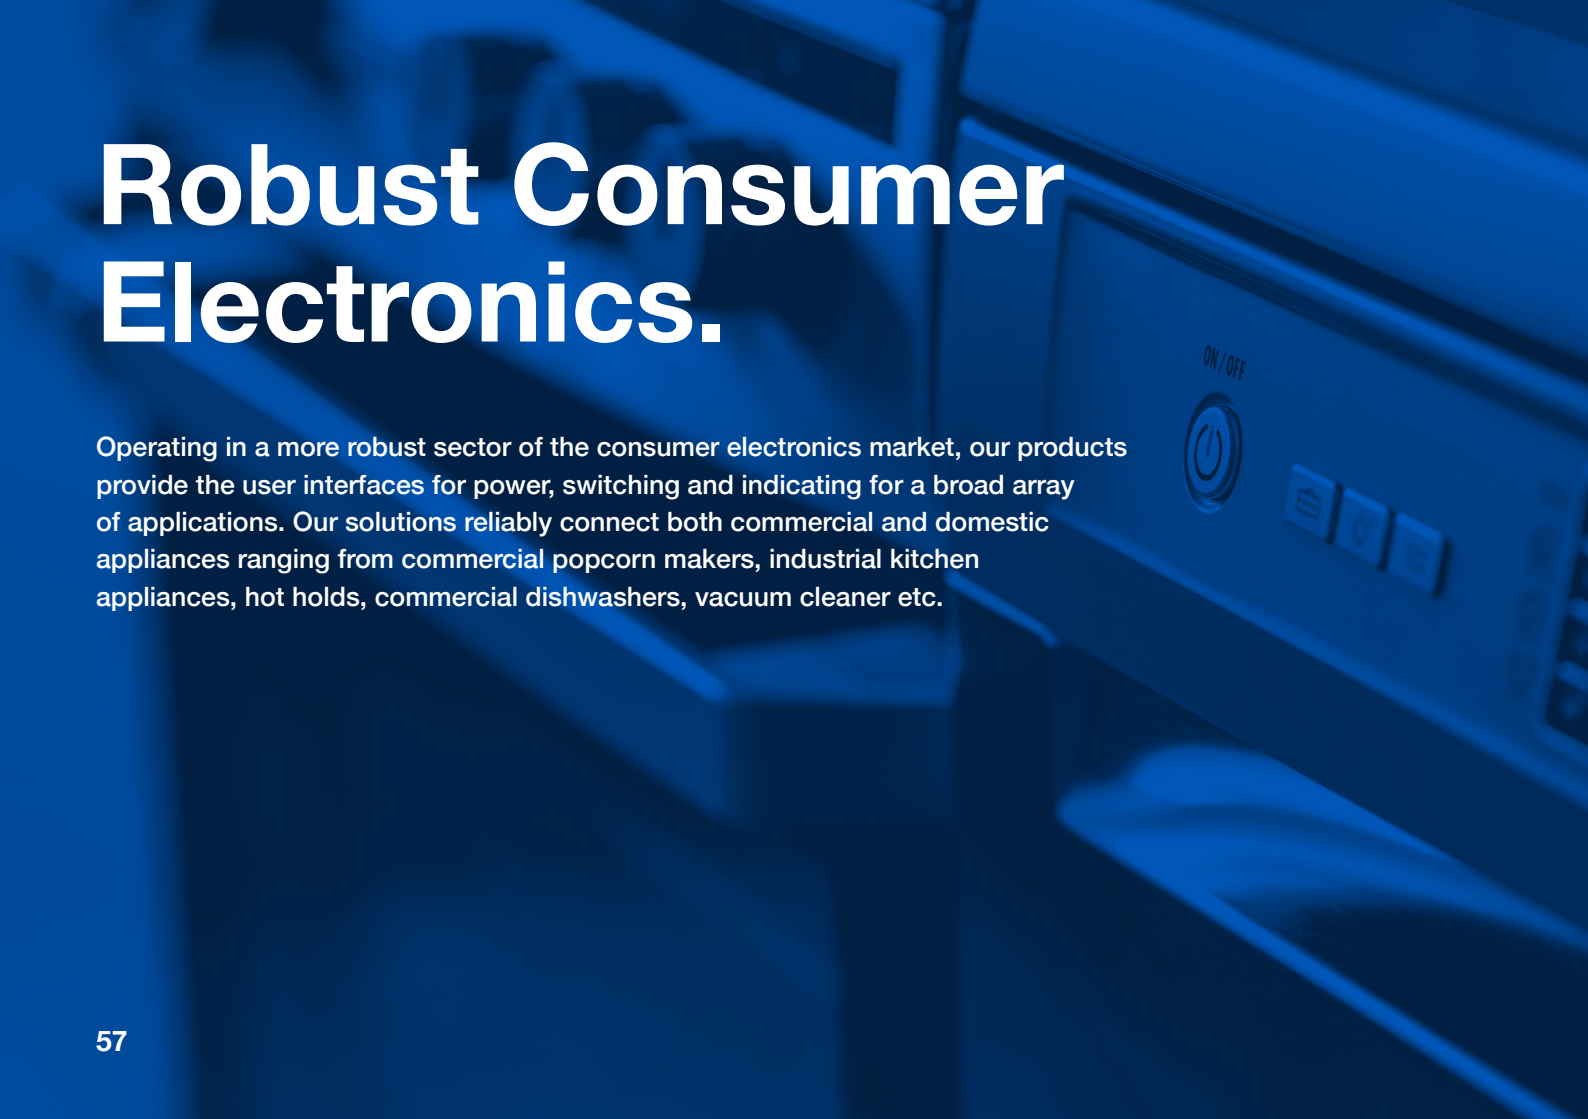
bulgin

Bulgin is widely recognised as a leading manufacturer of environmentally sealed connectors & components.

With over 95 years of experience in the industry, Bulgin continues to innovate & develop products and services to cater for its global customer base across a variety of markets.

Robust Consumer Electronics.

Operating in a more robust sector of the consumer electronics market, our products provide the user interfaces for power, switching and indicating for a broad array of applications. Our solutions reliably connect both commercial and domestic appliances ranging from commercial popcorn makers, industrial kitchen appliances, hot holds, commercial dishwashers, vacuum cleaner etc.



Commercial Goods.

From hospitality applications to catering and retail equipment, we have a broad portfolio of connectivity solutions and user interface components to help engineers design new, innovative appliances and goods for commercial use.

- Rotisserie Ovens
- Vending Machines
- Kitchen Climate Control System
- Food & Drink Cleaning Machines
- Air Compressor
- Electric Insect Control Device
- Commercial Coffee Machines
- Champagne Dispensing Machines
- Commercial Freezers
- Commercial Kitchen Grills

Products Related To This Industry:

Rocker Switches

Switches

- Ratings from 10A, 250Vac - 20A, 277Vac
- Push-on, solder & PCB terminals
- Splash resistant & antimicrobial options
- Illuminated & Non-Illuminated options
- Large selection of sizes & styles

Vandal Resistant

Switches

- High corrosion resistance
- Domed, low & prominent profiles
- IP66 & IP68 sealing versions
- Illuminated & non-illuminated
- Front & rear panel mount versions

Piezo Switches

Switches

- Dust, dirt, chemicals & water resistant
- Sealed to IP68 & IP69K
- 16, 19 or 22mm diameter
- Millions of cycles/actuations
- Illuminated & non-illuminated options

IEC Connectors

IEC Connectors

- IEC Connectors, Inlets & Outlets
- EC & EN 60320 Standards
- UL, CSA, VDE & CE approved
- C13, C14, C15, C16, C18, C19 & C20 as well as Sheet E, F, H, I & J types

Mini Series

Circular Power Connectors

- Ratings up to 10A, 380V ac
- 2, 3, 4, 6 or 8 contacts
- IP67 & IP68 protection
- Plug & receptacle connectors
- UL approved, compact design

Battery Holders

Battery Holders

- AAA, AA, C, D & PP3 battery sizes
- Accommodating 1, 2, 3 or 4 cells
- IP67 sealed versions
- Suitable for PCB mounting
- Panel mounting versions

Refrigerator Switches

Switches

- Momentary on & off switching
- Splash resistant variants
- Choice of actuators
- Switch rating from 0.2A, 250Vac up to 5A, 250Vac

Consumer Goods.

The modern day home is filled with many consumer electronics and devices that require reliable electronic components. With smart homes becoming increasingly connected along with the growth of the consumer electronics market, our range of power connection and switch solutions are perfect for meeting the needs of many small or large domestic appliances including brown and white goods as well as outdoor gardening equipment.

- Popcorn Machine
- Mini Drinks Cooler
- Professional Hair Dryer
- Cooker Oven
- Vacuum Cleaner
- High End Jacuzzi
- Portable Alarm Systems
- Coffee Machines
- Food Mixer
- Chest Freezer
