

SCHURTER

ELECTRONIC COMPONENTS

Products for Humanoid Robotics

Key Products:

UHP SMD Fuse

- High breaking capacity up to 3000 A
- Safe tripping 15s @ 2x the rated current

MSS IO Switch

- IO-Link Communication
- Insensitive to water / hygienic operation

EDC - Electronic Direct Current Switch

- Rated Currents to 10 A @ 48 VDC
- No arcing; small design; long lifespan

ADO High Performance Fuse

- High breaking capacity up to 20 kA @ 1000 VDC
- Mechanical vibration and shock resistance

FMAB NEO EMC Filter

- 1-stage line filter with high attenuation
- Compact with closed steel housing

SCHURTER is a leading innovator, manufacturer and supplier of fuses, connectors, circuit breakers, switches, super capacitors and EMC products.
