

ISB SERIES

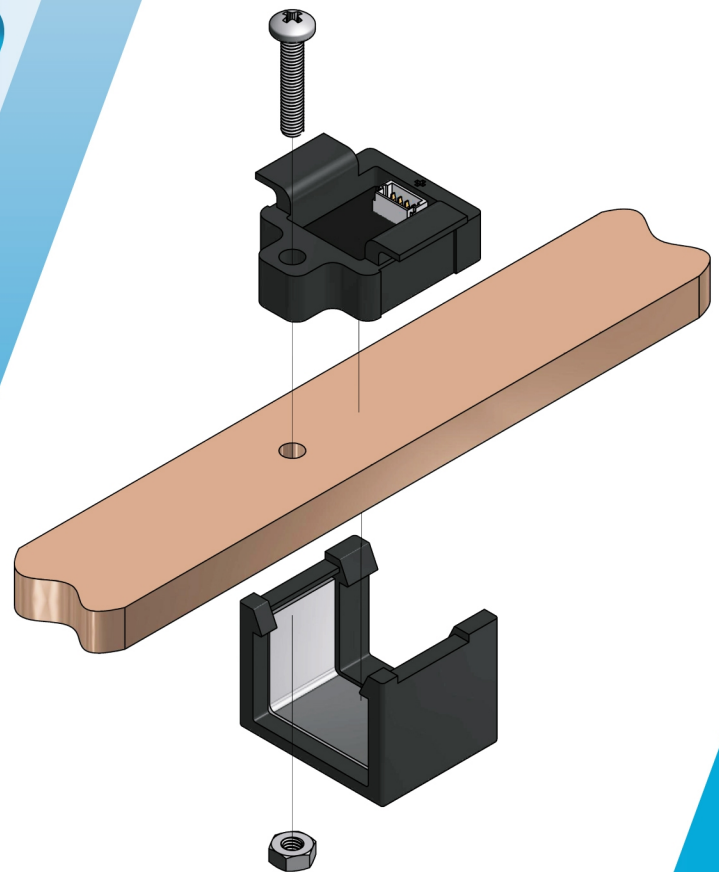

Current Sense Transducers

www.icecomponents.com

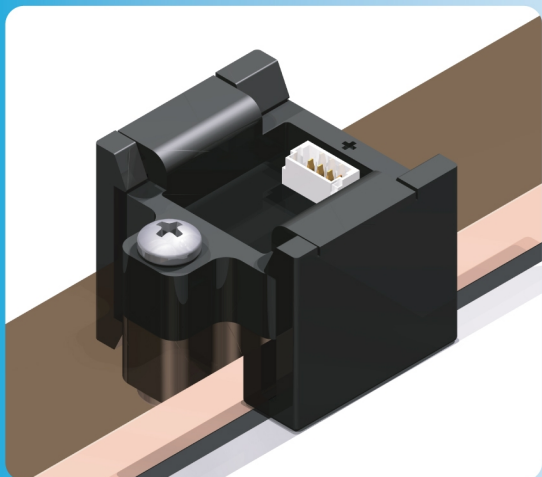

Features

- Customizable Current Range
- Standard Ratings up to 670A
- Easy Installation
- Linearity $\leq 0.1\%$
- Accuracy $\leq 0.6\%$

In conformance to:

Helping Engineer the Technology of Power

Applications

- DC-DC and AC-DC Converters
- Battery Management
- Solar Power System
- Motor Drives
- Inverters
- Welding
