

Product/Process Change Notification

PCN-063020-SDF

ID Number/Date	ID Number (MMDDYY): 063020
Affected Product/s	Product Series: C700KJN and C700KJY Form Factor/s: Ceramic Disc Case Size/s: All Voltage Rating: All Product Grade/s: Industrial Packaging C-Spec/s: All Packaging Suffix/s: All Special Requirement C-Spec/s (When combined with a packaging C-spec or Suffix listed above): N/A
Change Overview	All KJN and KJY capacitors will undergo a part number change. This change will impact ordering code. Marking will have TUV and UL symbol. Certification has been updated to adhere to latest revision IEC 60384-14. No changes are being made to the capacitor materials or construction.
Justification and Benefits	Consolidation and simplification of ordering code. In order to integrate KJN and KJY product series into KEMET's ERP system and alias part number was designated in order to accommodate a 14-character requirement. A KJN or KJY part number was developed as the alias. As all marketing collateral material reflects C700KJN and C700KJY callouts, KEMET is obsoleting the KJN and KJY alias part number. The C700KJN and C700KJY part numbers have been updated to meet KEMET's ERP system 14-character requirement.
Effective Date	June 30, 2020
