

4-H Circuit Playground Express Base Kit

Product Overview

09-24-2021

For the most up-to-date information, visit www.mouser.com or the supplier's website.

Description

Adafruit 4-H Circuit Playground Express Base Kit offers all the requirements to get started with the Circuit Playground Express. The Circuit Playground Express works with Microsoft MakeCode, CircuitPython, code.org CS discoveries, and Arduino IDE. The Circuit Playground Express is an advanced version of the Circuit Playground Classic with more sensors and is easy to program. The base kit comes with 4-H Circuit Playground Express, USB cable - A/MicroB, three alkaline AAA batteries, three AAA battery holders, and a mini storage box.
