

# X-MWModule RF Evaluation Boards

## X-MWblocks

05/28/2026

For the most up-to-date information, visit [mouser.com](https://www.mouser.com) or the manufacturer's website.

### DESCRIPTION

Quantic X-MWModule RF Evaluation Boards offer modular design system technology for the RF and microwave industry. These boards category provide solutions for various component manufacturers, including AmpliTech, Analog Devices, Atlanta Micro, Guerrilla RF, Keysight, MACOM, Marki Microwave, and Maxim Integrated/Analog Devices. All the XR part numbers are RoHS-compliant. Typical applications include wireless infrastructure, radar, navigation, transportation, quantum computing, test and measurement, and medical devices.

### FEATURES

- Wireless infrastructure
- Radar
- Navigation
- Transportation
- Quantum computing
- Test and measurement
- Medical devices
