

# USB to RS485 Serial Cable

FIT0874

## Product Overview

01-20-2023

For the most up-to-date information, visit [www.mouser.com](http://www.mouser.com) or the supplier's website.

## Description

DFRobot USB to RS485 Serial Cable with built-in a CH340 bus converter chip allows direct communication between PC and 485 devices without extra wire connection. This cable features high stability, strong anti-interference, a 5V power supply, and a 1m length. The USB to RS485 serial cable provides instant connectivity to RS485 communication devices. Typical applications include industrial sensors and home appliances.

## Features

- Provides instant connectivity to RS485 communication devices
- High stability
- Strong anti-interference

## Specifications

- CH430 chip
- 5V power supply
- 1m length
- Interface specification:
  - Red:
    - VCC
  - Black:
    - GND
  - Green:
    - 485-A
  - White:
    - 485-B
- Support system:
  - Windows XP/Vista/7/8/10

## Applications

- Industrial sensors
- Home appliances
