

TDK-Lambda

Trusted · Innovative · Reliable

TDK-Lambda is the global leader in
Medical and Industrial power solutions.

January 2025

DUSH960-1248 Series

Quick Facts:

- * DIN Rail mount
- * Uninterruptible DC Power Supplies
- * 960W, 20A rated, 10 to 60Vdc input and output

[DATA SHEET](#)

What are they?

Power supplies providing a back-up DC voltage if the input power is lost

- Input Voltage 10 to 60Vdc
- Output Voltages 10 to 60Vdc (20A). Optional 5A auxiliary voltage.
- Output Power 960W
- Features Up to 98% efficient, multiple battery types up to 1000Ah. LCD, RS485, USB and Modbus/RTU protocol interfaces for programming. DIN-rail mount. Battery temperature monitoring sensor. Multiple signal and alert functions.

Where are they Used?

- Industrial automation
- Building control
- Test and measurement
- Communication systems

Why?

Addressing the need for DIN rail mount un-interruptible power sources

When?

Distribution stock February 2025

Samples?

Upon request
