TTI High Voltage Assembly Program

Stocked Pig Tail Assemblies

- Stocked assemblies of 6 meters
- Populated connector with blunt cut on other end
- Multiple choices in cable size, straight and right angle and connector manufacturer
 - TE HVA 280, HVP 800
 - Amphenol PowerLok 300
 - Amphenol PCD HVSL
 - Aptiv HV 280
 - Kostal KHV 600
 - Future expansion to other options

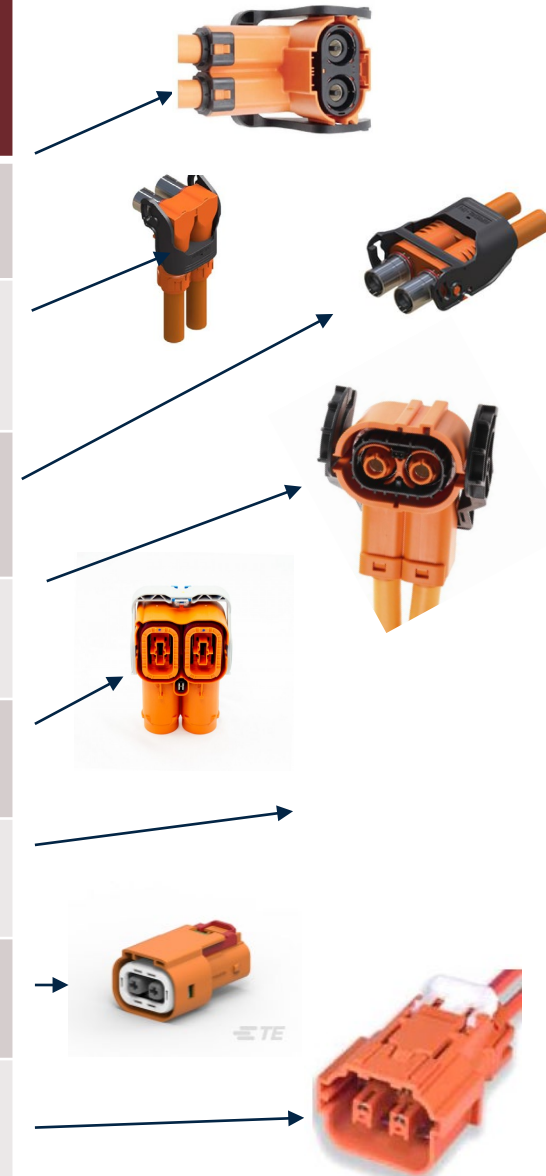

Pigtail Stocking package

Pigtail Part #	Supplier	Supplier Part # *Connector only	Mating Header Connector	Assembly Description	Expected Ship Date to TTI

* Indicates multiple options available

Build-to-Print Option

- TTI can quote and provide quick turn, build-to-print high voltage cable assemblies
- Customer can chose their cable or allow supplier to chose suitable options which reduces lead time and cost
- Customers need only provide 2D print and quantities needed
- TTI will stock and release as needed
- Tested and production worthy assemblies

Thank You
