JK-3000EU-2

- Full-size layout with arrowkeys and number pad
- Plug-and-play, 2.4 GHz wireless technology with range up to 32 ft
- Low-noise keys with durable key labels and up to 10 million keystrokes

The Wireless Keyboard

The CHERRY KW 3000 wireless keyboard is a reliable and versatile accessory for your computer. It features a full-size layout with arrow keys and a number pad, making it ideal for both work and play. The keyboard is also easy to install and use, with plug-and-play functionality and a wireless 2.4-GHz connection that provides a range of up to 32 feet.

Keys, Keys, Keys

The CHERRY KW 3000 has a simple and clear layout, with four hotkeys for quick access to calculator, email, and browser functions. You can also use the CHERRY KEYS software to assign your preferred functions to any additional keys. The battery status indicator is located directly above the FN keys, so you can always keep an eye on your battery level.They also have an impressive service life of up to 10 million keystrokes, making them a reliable investment.
