## Short Description

Quiet, wireless full-size keyboard

## Long Description

The CHERRY KW 3000 wireless keyboard comes in the popular full-size layout, which includes arrow keys and a number pad. The keyboard can be installed quickly and easily using plug and play — simply plug the supplied nano USB receiver into the USB port. The wireless 2.4-GHz technology ensures that the connection is almost entirely free from interference and provides a range of up to 10 meters.
