

# USB4216 — Short body 16-Pin Fully SMT USB Type-C

## key features

- Only 6.50mm body length
- Fully SMT
- 240W PD compatible
- 20,000 mating cycles

Designed for applications where real estate or small product size is critical, the Fully SMT USB4216 features a compact total body length of only 6.50mm. Despite its small size, the USB4216 is approved for Power Delivery up to 240W and 20,000 mating cycles for USB 2.0 applications.

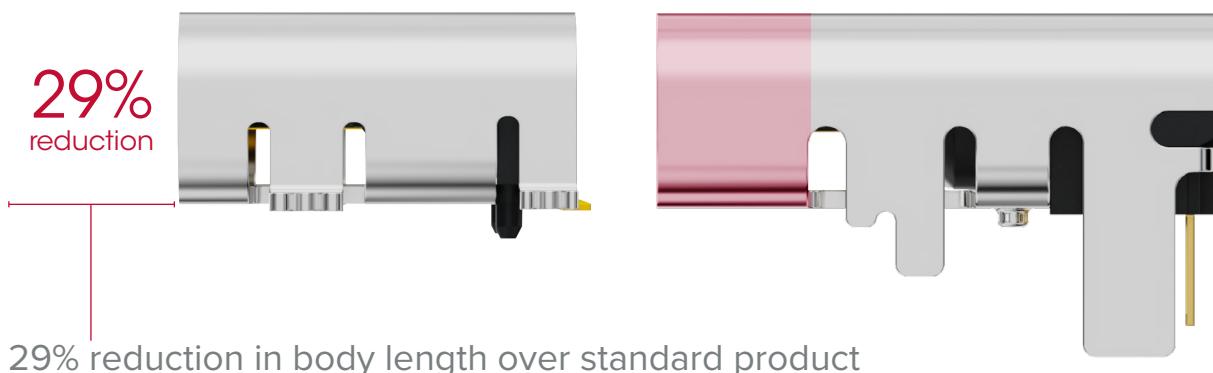

## Product Specifications

| Interface  | Power Rating    | No. of contacts | Mating Cycles | USB Specification | Body length | PCB Mount Type |
|------------|-----------------|-----------------|---------------|-------------------|-------------|----------------|
| USB Type-C | 240W (48V @ 5A) | 16              | 20,000        | 2.0               | 6.50mm      | Top Mount      |

## Highlight

[gct.co/connector/usb4216](http://gct.co/connector/usb4216)

29% reduction in body length over standard product
