

**STATEMENT**  
**Israel-Hamas Middle East Conflict**

*October 12, 2023*

Dear Valued Customer,

YAGEO Group is aware of the escalating military conflict in Israel and the surrounding area. We have no operations in this region and have conducted an initial review of our supply chain and report minimal impact.

We continue to monitor for potential impacts due to this conflict and will notify customers of any supply disruptions.

Should you have additional questions, please contact your YAGEO Group sales representative.

Thank you and, as always, we appreciate your business.
